

Montreal, October 8th 2007

WELCOME TO ALL GYMNASTICS CLUBS AROUND CANADA AND THE UNITED STATES.

We are pleased to welcome you to the **2008 GYMNIX CLASSIC** which will be held, during L'International Gymnix, on the 29th of February, 1st and 2nd of March 2008.

Again this year, we will honour our tradition of a world class podium and a large quantity of individual awards. For the second year in a row, three events will be on podium just like in the most prestigious meets in the world. These events will be bars, beam and floor.

As the recent years, the gymnasts registered at the 2008 GYMNIX CLASSIC will have free access to all competitions of L'INTERNATIONAL GYMNIX. They will be able to see the next generation of athletes from all around the world, preparing to perform along the 2005-2008 cycle.

Just like **Carly Patterson** and **Shawn Johnson** from USA who prepared respectively their 2004 Olympic title and 2007 World title at the International Gymnix, many 2008 Olympic hopefuls will be there, this year, to gain precious international experience.

We hope to see your team in Montreal in March 2008 to enjoy our hospitality and our wonderful winter season.

Anne-Maud Jan Viau
Technical Coordinator
